

# WE BELIEVE IN THE POWER OF MUSIC.

Our mission is to promote youth music education and raise funds for local nonprofit organizations by combining the power of music and the generosity of the global legal community.

We support our mission by putting on epic battle of the band fundraising concerts in cities around the world, which star legal professionals-turned-rockstars. We award a Music Matters Grant to an organization supporting youth music education in each of our US tour cities.

## WE WORK WITH THE LEGAL COMMUNITY

Over 200 firms to date, including some of the largest in the world. From board members to band members, legal professionals are Law Rocks. Learn more and see a list of firms at [lawrocks.org/firms](http://lawrocks.org/firms)

## WE WORK WITH LOCAL NONPROFITS

We are inspired by the work local nonprofits do for the communities we live in. We are proud to support some of the very best. Meet some of our favorite organizations at [lawrocks.org/nonprofits](http://lawrocks.org/nonprofits)

## WE WORK WITH CORPORATE SPONSORS

Sponsorships make Law Rocks rock. They also offer brands an exclusive opportunity for positive exposure before an elite audience. See a selection of our past and current sponsors at [lawrocks.org/sponsors](http://lawrocks.org/sponsors)

## 2009

### IT ALL BEGINS

In London, Nick Child is looking for a way for the legal industry to give back to local communities, while having fun at the same time. Law Rocks is born at the famed 100 Club.

## 2012

### COMING TO AMERICA

Inspired by London's events, Los Angeles-based Ted Scott founds Law Rocks USA, a 501c3 nonprofit. The first US show is held at the legendary Whisky a Go Go in Hollywood.

## 2023

### REACHING NEW HEIGHTS

Law Rocks reaches \$6 million dollars raised, with over \$1.28 million raised in 2023 alone. The 2023 tour stop in New York City raises over \$387,000 - the most ever for a Law Rocks event.
